

## Part 1

Krystal Ang is fifteen years old. She's got a little sister, Lisa, and a dog called Daisy. Krystal is very artistic – she has extra Art classes and she can draw very well. She's quite musical too – she can play the piano but she can't sing! Amy and Lee are her friends but she's at a different school. She's a very hard-working student and she has extra French lessons after school on Mondays and Thursdays. Her favourite subjects are French and History. Krystal sometimes has problems with Maths but she always has good marks. She's not very sporty but she can play tennis quite well.

## Part 2

This is Lee Marshall. He's fifteen and he's from Harlow Mill, a small town near London. He's in Year 10 at Harlow Mill High and he's mad about music. Lee has got a sister, Ruby – she's thirteen. He hasn't got a brother. Lee's dad, Dave, is a policeman. His mum's name is Gloria and she's an artist. She's from a big family in Jamaica. Lee's family have also got some pets – a cat and two guinea pigs. Their cat's name is Elvis. The guinea pigs' names are One and Two.

### Part 3

**This is Amy Arnold, Lee's best friend.**

She's fifteen and she's also at Harlow Mill High. She hasn't got any brothers or sisters. Amy's birthday is on 15 November – she's a typical Scorpio. Amy is very good with computers and her hobbies are playing computer games, surfing the internet, taking photos, swimming and, in summer, cycling. She has a busy life – she has judo classes two evenings a week after school and she sometimes has training sessions with the school volleyball team too. Amy is a very big fan of Bro, the pop star.

### Part 4

Amy's house is in a quiet street in Harlow Mill, quite far from the town centre. There aren't any shops but it's quite near Amy's school. Amy's bedroom isn't very big but it's her favourite place in the house. There's a bed, a chair, a wardrobe and a big mirror. There is a table but the bed is Amy's favourite place to work! Amy's room is very untidy. There are always some clothes on the floor ... and there are often arguments about this!
